THE CODEX

YEAR ONE – THE JOYFUL CYCLE

OPERATOR: _____

OPENED: _____

CLOSED: _____

THE CODEX

The Codex is the permanent record. One spread per boss. RELAY's first contact transcribed by hand. The fight protocol printed. The fight log filled in ink over the operator's years.

Each boss can be re-fought any Sunday Sanctum for a personal-record attempt, or surfaced as a *haunt* by the dice on a low probability. Either way, the row in the fight log gets added.
